

## I WILL - *The Beatles*

Who knows how long I've loved you  
You know I love you still  
Will I wait a lonely lifetime  
If you want me to I will

For if I ever saw you  
I didn't catch your name  
But it never really mattered  
I will always feel the same

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart

And when at last I find you  
Your song will fill the air

Sing it loud so I can hear you  
Make it easy to be near you  
For the things you do endear - you - to - me  
Ah, you know I will - - - - I will
