

I'll Never Find Another You

The Seekers '64

Intro Turn-around setup...

There's a new world somewhere they call the Promised Land
And I'll be there someday if you will hold my hand
I still need you there beside me - no matter what I do
For I know I'll never find another you

There is always someone to reach across they say
And you'll be my someone forever and today
I could search the whole world over - until my life is through
But I know I'll never find another you

{ It's a long, long journey - so stay by my side
When I'll walk through the storm you'll be my guide - be my guide

If they gave me a fortune - my pleasure would be small
I could lose it all tomorrow and never mind at all
But if I should lose your love dear - I don't know what I'd do
For I know I'll never find another you
