

# I've Got To Use My Imagination

Gladys Knight - '73  
Bobby Bland - '73  
Joe Cocker - '89

Intro: 4 drums & 4 horns...

I've really got to use - My imagination  
To think of good reasons - To keep on, keepin' on  
Got<sup>3</sup> to make the best of - A bad situation  
Ever since that day  
- I woke<sup>3</sup> up and found that you were gone

Darkness all around me - Blockin' out the sun  
Old friends call me  
- But I don't feel like talkin' to anyone  
Emptiness has found me - And it just won't let me go  
I go right on livin' - But why, I just don't know  
(*Yes, I am*)

< **Lead** [ 2 finish & 8 bar lead ] >

Staring down reality - Don't do me no good  
Cause our misunderstanding - Is too well understood  
Such a sad, sad season -When a good love dies  
Not a day goes by - when I don't realize
