

## If Tomorrow Never Comes

Sometimes late at night  
I lie awake and watch her sleeping  
She's lost in peaceful dreams  
So I turn out the lights and lay there in the dark  
    And the thought crosses my mind  
    If I never wake up in the morning  
    Would she ever doubt the way I feel  
    About her in my heart

If tomorrow never comes  
Will she know how much I loved her  
Did I try in every way - To show her every day  
That she's my only one  
    If my time on earth were through  
    And she must face the world without me  
    Is the love I gave her in the past  
    Gonna be enough to last  
    If tomorrow never comes

'Cause I've lost loved ones in my life  
Who never knew how much I loved them  
Now I live with the regret  
That my true feelings for them never were revealed  
    So I made a promise to myself  
    To say each day how much she means to me  
    And avoid that circumstance  
    Where there's no second chance  
    To tell her how I feel

[ C ]... So tell that someone that you love --- Just what  
you're thinking of --- If tomorrow never comes.
