[If you don't know me by now
You will never never never know me

All the things, that we've been through

You should understand me - like I understand you

Now girl I know the difference - between right and wrong

I ain't gonna do nothing - to upset our happy home

Don't get so excited - when I come home a little late at night

'Cause we only act like children - when we argue fuss & fight

[C] *(If you don't know me) -- (No you won't)*

[C]

We've all got - our own funny moods

I've got mine, - woman you've got yours too

Just trust in me - like I trust in you

As long as we've been together

- it should be so easy to do

Just get yourself together or we might as well say goodbye

What good is a love affair - when we can't see eye to eye
