

If You Only Knew

The Mavericks

Stndrd Turn-around Intro...

You wouldn't walk away so proud and tall
If you knew how I wanted - you at all
I can't hide it anymore because it's true
If you only knew - who's in love with you

Well I dream about you every - night and day
And all the sweet things that I'd - like to say
But darlin' you don't even have a clue
If you only knew - who's in love with you

It feels like my heart skips a beat
Whenever you are near
And every time you walk away
Well, I wish that you were here... **///**

Well I know that there's a lot of other guys
Who will promise you the world with all their lies
But I'm the only one who's feeling blue
If you only knew - who's in love with you **//X3**
