

# It Hurts Me

It hurts me, to see him treat you - the way that he does

It hurts me - to see you - sit and cry

When I know - I could be so true

IF I had someone like you

It hurts me - to see those tears - in your eyes

The whole town, is talking, - they're callin' you a fool

For listening - to his - same old lies

And when I know - I could be so true

IF I had someone like you

It hurts me - to see the way - he makes you cry

● You love him so much, - ● You're too blind to see

He's only - playing a game

● He's never loved you - ● He never will

And darling, - don't you know - he'll never change

Oh, I know – *he* – never *will* - set you free

Because - he's just that kind of guy

But if you ever - tell him you're through

I'll be waiting for you

Waiting - to hold you so tight

Waiting - to kiss you goodnight

Yes, darling, ---- if I had someone -- like you...

Waiting - to ...  X 4
