

It's Just The Sun

(m2) - Bb

It's just the sun - that's shinin' in your eyes.
It's just the moon - that is the sun's disguise.
Just the sky - with clouds a blowin' by.
The sun & the moon & the sky, & you & I.

It's just the rain - that's rollin' down my cheek.
It's just the wind
- that makes me hear you speak.
It's just the song - that anyone can sing.
The rain and the wind and the song
- and the love you bring.

< LEAD >

It's just the world
- that's gonna break your heart.
It's just the past - that's tearin' us apart.
It's just the time - we have so little of.
The world and the past and the time
- that we fell in love.
