

It's Over

M1 >> E

After ONE arpeggio chord (on 5th)...

Your baby doesn't love you any more

On the 3rd Rif

Golden days before they end

Whisper secrets to the wind

.....Your baby won't be near you any more

Tender nights before they fly

Send falling stars that seem to cry

➤ Your baby doesn't want you anymore, it's over

It breaks your heart in two -

To know she's been untrue

But, oh, what will you do

When she says to you - There's someone new,

We're through, we're through

-- It's over, it's over, it's over

All the rainbows in the sky

Start to weep, then say goodbye

.....You won't be seeing rainbows any more

Setting suns before they fall

Echo to you that's all, that's all

➤ But you'll see lonely sunsets after all

It's over, it's over, it's over ---- It's o---ver-- //
