

I've Got You Under My Skin

3 rounds... enter start of 4th

Michael Bublé
Frank Sinatra

I've got you - under my skin

I've got you - deep in the heart of me

Yu're so deep in my heart, that you're really a part of me

I've got you - under my skin

I've tried so... - not to give in

I've said to myself this affair ain't gonna go so well

But why should I try to resist, when baby I know so well

That I've got you - way under my skin

I'd sacrifice anything come what might

for the sake of having you near

In spite of a warning voice that comes in the night

And repeats - in my ear

Don't you know little fool, you'll never win

Why not use your mentality

step up to reality

But each time I do, just the thought of you

Makes me stop - before I begin //

'Cause I've got you - under my skin [Lead] >> ***

..... and I love you - under my skin
