I'm going to Kansas City - Kansas City here I come
I'm going to Kansas City - Kansas City here I come
They got crazy little women there
And I'm gonna get me one

I'll be standing on the corner - of 12th Street and Vine
I'm gonna be standing on the corner - of 12th Street & Vine
With my Kansas City baby
And a bottle of Kansas City wine

{ Well I might take a train - I might take a plane
But if I have to walk - I'm going just the same

I'm going to Kansas City - Kansas City here I come
They got some crazy little women there
And I'm gonna get me one

Now if I'm seen with that woman - I know I'm gonna die
Gotta find a brand new baby - And that's the reason why

I'm going to Kansas City - Kansas City here I come
I'm going to Kansas City - Kansas City here I come

They got some crazy little women there
And I'm gonna get me one
