

Kiss Me Goodbye

Intro: 2 + 2

We choose it, win or lose it
Love is never quite the same
I love you, now I've lost you
Don't feel bad, you're not to blame

So **Kiss** me goodbye - and I'll try not to cry
All the tears in the world won't change your mind
There's someone new - and he's waiting for you
Soon your heart will be leaving me behind

Linger a while, then I'll go with a smile
Like a friend who just happened - to call 
● For the last time pretend you are mine
My darling, kiss me goodbye

Short Setup

I know now I must go now
Though my heart wants me to stay
That guy is your tomorrow
I belong to yesterday
