

Last Kiss

D

I was out on a date in my daddy's car
We hadn't driven, very far
There in the road, straight ahead
a car was stalled, the engine was dead.

I couldn't stop, so I swerved to the right
I'll never forget the sound that night.
The crying tires, the bustin glass,
That fateful scream that I – heard last

Well, when I woke up the rain was pourin down,
There were people standin all around.
Something warm a runnin in my eyes,
But still, somehow, I found my baby that night.

I picked her up and the she smiled and said
HOLD ME DARLIN FOR A LITTLE WHILE
I held her close, I kissed her our last kiss,
I lost my love, my life – that night.

**Oh where oh where can my baby be?
The lord took her away from me.
She's gone to heaven so I've got to be good
So, I can see my baby when I leave this world.**
