LipSTICK, Powder & Paint - X 3 // Is you is? ... Or is you ain't?

- There goes my baby up a tree
Giggling and a wiggling her toes at me
- Let me put my glasses on
Ain't had lovin since she's been gone

[C]

- Hound dog scratching fleas
Looking like she's in love with me
- Licks my hand everywhere I go
I WISH my baby loved me so

[C]

<Lead> (*Lipstick, lipstick, Powder&paint, Lipstick, lipstick, Powder&paint Ahhhhhhh Powder&paint*)

Taller than the barnyard - ten feet high
Hide with me till your man passes by
Don't you sneeze and don't you cough
If you get dusty - I'll brush you off

[C]

- What kind of love is that you make
The world starts a trembling & the buildings shake
Love me & hug me once again
Let the ROOF and the walls come tumbling in

[C] [C] ... Lipstick...(horns)... powder and paint!
