

# *Little Sister*

Little sister don't you, little sister don't you  
Little sister don't you kiss me once or twice  
Tell me that it's nice and then you run  
Little sister don't do what your big sister done

You know I dated your big sister'  
Oh, I took her to the show  
    I went for some candy  
    Along came Jim Dandy  
And they slipped right out the door      [ C ]//

I used to pull your pigtails  
and pinch your turned up nose  
    But baby you been growin'  
    And lately it's been showin'  
From your head down to your toes      [ C ]//

Every time I see your sister  
Lord, she's with somebody new  
    Aw, she's mean and she's evil  
    Like a little ol' boll weevil  
Think I'll try my luck with you      [ C ]... X3
