

Long Long Time

Love will abide - take things in stride

Sounds like good advice but there's no one at my side
And time washes clean love's wounds unseen
That's what someone told me but I don't know what it means.

Cause I've done everything I know to try and make you mine
And I think I'm gonna love you for a long long time

Caught in my fears - Blinking back the tears

I can't say you hurt me when you never let me near
And I never drew one response from you
All the while you fell all over guys you never knew
Cause I've done everything I know to try and make you mine
And I think it's gonna hurt me for a long long time

Wait for the day - You'll go away

Knowing that you warned me of the price I'd have to pay
And life's full of flaws - Who knows the cause?
Living in the memory of a love that never was
Cause I've done everything I know to try & change your mind
and I think I'm gonna miss you for a **long long time**

Cause I've done everything I know to try and **make you mine**
And I think I'm gonna love you for a long long time.
