

Love Will Set You Free

Engelbert
Humperdinck

1 full round intro...

So graceful and pure - A smile bathed in light
No matter the distance - A miracle of sight

Though I should have known - I could not turn away
When faced with your beauty - No reason can stay

As you kiss him in the moon...light
- With heavy words I say

If You love someone - Follow your heart
'Cause Love comes once - If you're lucky enough
Though I'll miss you forever - The hurt will run deep
Only love can/will set you free

Trust in your dreams - Run with no fear
And if you should stumble - Remember I'm near

As a ghost I will walk - I'll look deep in my soul
I might find another - You gave me that hope

As you kiss him in the moon...light
- With heavy words I say
