

Love is All Around

The Troggs - '67

I feel it in my fingers, I feel it in my toes
Well, love is all around me -
and so the feeling grows

➔ It's written on the wind, it's everywhere I go
So if you really love me -
● Come on & let it show

{ -- You know I love you, I always will
My mind's made up by the way that I feel
There's no beginning, there'll be no end
'Cause on my love - you can depend

I see your face before me as I lay on my bed
I kinda get to thinking of all the things you said
You gave your promise to me,
& I gave mine to You
I need someone beside me in everything I do
