## *Full Intro*

When the rain is blowin' in your face  
And the whole world is on your case  
I could offer you a warm embrace - To make you feel my love.

When the evening shadows and the stars appear  
And there is no one there to dry your tears  
I could hold you for a million years - To make you feel my love.

I know you haven't made your mind up yet  
But I would never do you wrong  
I've known it from the moment that we - met  
No doubt in my mind where you belong.

I'd go hungry, I'd go black and blue  
I'd go crawlin' down the avenue  
No there's nothin that I wouldn't do -To make you feel my love

## *< Cello >*

The storms are raging on the rollin' sea  
And on the highway of regrets  
The winds of change are blowing wild and free  
You ain't seen nothin' like me yet.

I could make you happy, make your dreams come true  
No, there's nothing that I would not do  
Go to the ends of the Earth for you - To make you feel my love.
