I don't remember what day it was
I didn't notice what time it was
All I know is that I fell in love with you
And if all my dreams come true
I'll be spending time with you

Every day's a new day - in love with you
With each day comes a new way - of loving you
Every time I kiss your lips my mind starts to wander
And if all my dreams come true
I'll be spending time with you

[Oh, I love you more today than yesterday
● But not as much as tomorrow
I love you more today than yesterday
But, *darling, not* (only half) as much as tomorrow

Tomorrow's date means springtime's just a day away
Cupid, we don't need ya now, be on your way
I thank the lord for love like ours that grows ever stronger
And I always will be true
I know you feel the same way too

[C] Every day's a new day - Every time I love ya...
Every Way's a new Way - Every time I love ya...
Every day's a new day - Every time I kiss ya...
Every Way's a new Way - Every time I love ya... ///
