

# Morningtown Ride

The Seekers  
Judith Durham  
Key: G

Train whistle blowing - makes a sleepy noise  
Underneath their blankets  
go all the girls & boys

**Rocking rolling riding out along the bay  
All bound for Morningtown many miles away**

Driver at the engine - fireman rings the bell  
Sandman swings the lantern  
to show that all is well

**[ C ]**

Maybe it is raining - where our train will ride  
All the little travelers are warm & snug inside

**[ C ]**

Somewhere there is sunshine  
somewhere there is day  
Somewhere there is Morningtown  
many miles away
