

# Mountain of Love

Standing on a mountain looking down on a city

The way I feel is a dog-gone pity

Teardrops are fallin' down the mountainside

Many times I've been here and many times I cried

We used to be so happy, when we were in love

High on a mountain of love

Night after night I been standing here alone

Weeping my heart out - till cold gray dawn

Prayin' that you're lonely and you'll come here too

Hopin' just by chance that I'll get a glimpse of you

Tryin' hard to find you, somewhere I love

High on a mountain of love

Mountain of Love, a Mountain of Love

You should be ashamed

We used to be a mountain of love

But you just changed you name

Way down below there's a half a million people

Somewhere there's a church and a big tall steeple

Inside the church there's an alter filled with flowers

Wedding bells are ringing and they should have been ours

That's why I so lonely, My dreams gone above

High on a mountain of love
