

Much Too Young

m1 >>> F#

Garth Brooks '89

This ol' highway's getting longer
Seems there ain't no end in sight
To sleep *would* be best,
 but I just can't afford to rest
I've got to ride in Denver tomorrow night

I called the house but no one answered
For the last two weeks no one's been home
I guess she's through with me,
 to tell the truth I just can't see
What's kept the woman holding on this long

And the white line's getting longer
 and the saddle's getting cold
I'm much too young to feel this damn old

All my cards are on the table
 with no ace left in the hole
I'm much too young to feel this damn old

The competition's getting younger
Tougher broncs, you know I can't recall
The *worn* out tape of Chris LeDoux,
 lonely women and bad booze
Seem to be the only friends I've left at all
