A When the whippoorwills call
And evening is nigh
I'm so happy in my blue heaven

B Just take a turn to the right
You'll see a little white light
It lead you to my blue heaven

It's just a smiling face,
a fireplace, a cozy room
It's a lover's nest
that nestles where the roses bloom

C Just my Molly and me,
and little baby makes three
We're so happy in my blue heaven
