

My Way

Key:_____.

And now the end is near - So I face the final curtain
My friend, I'll say it clear – I'll state my case of which I'm certain

I've lived a life that's full– I've traveled each & every highway
And more, much more than this == I did it my way

Regrets, I've had a few- But then again, too few to mention
I did what I had to do - & saw it through without exception

I planned each charted course –
Each careful step along the byway
Oh, and more, much more than this == I did it my way

Yes, there were times, I'm sure you know
When I bit off more than I could chew
But through it all when there was doubt –
I ate it up and spit it out
I faced it all and I stood tall == And did it my way

I've loved, I've laughed and cried –
I've had my fails, my share of losing
And now as tears subside - I find it all so amusing
To think I did all that - And may I say, not in a shy way
Oh, no, no not me == I did it my way

For what is a man, what has he got
If not himself, then he has not
To say the words he truly feels
And not the words he would reveal
The record shows I took the blows == And did it my way
The record shows I took the blows == And did it my way
