

One Night at a Time

I'm not yours and baby you're not mine
We've got something that sure is fine
Let's take our love one night at a time

There's one thing that we both agree
I like you and baby you like me
Let's take our love one night at a time.

All night, love all night, Practice makes perfect
Gonna get it right - Gonna get it right

- *one night at a time*

All night, love all night, Practice makes perfect,
Gonna get it right - Gonna get it right

- *one night at a time*

Oh, I think about you all day long

It feels so good it can't be wrong

I got my fingers crossed that this goes on & on

Tomorrow well, that's another day
Come on baby, now whatta you say
Let's take our love one night at a time.
