

Only In America

E

Sun comin' up - over New York City.
School bus driver - in a traffic jam.
Starin atthe faces in r rearview mirror
Lookin atthe promise ofthe promise land

One kid dreams - of fame and fortune.
- - - One kid helps pay the rent.
- One could end up going to prison
- One just might be president

| Only in America! - Dreamin' in red, white, and blue!
| Only in America! - Where we dream as big as we want to
| We all get a chance, Everybody gets to dance, - Only in America!

Sun goin' down - on an L.A freeway
Newly-weds in back - of a limousine
A welder's son and a banker's daughter
All they want is everything!

She came out here to be an actress
He was a singer in a band.
They just might go back to Oklahoma
and talk about the stars
they could have been
