

# Open Arms

m2... c

*Piano Intro – 1 pass...*

Lying beside you, here in the dark  
Feeling your heartbeat with mine  
Softly you whisper, you're so sincere  
How could our love be so blind

We sailed on together - We drifted apart  
And here you are by my side

So now I come to you - with open arms  
Nothing to hide, believe what I say  
So here I am - with open arms  
Hoping you'll see - what your love  
means to me --- Open arms

Living without you, living alone  
This empty house seems so cold  
Wanting to hold you - Wanting you near  
How much I wanted you home

Now that you've come back –  
Turned night into day - I need you to stay
