1 full pass

- Last night I dreamed you were back again
- Larger than life again, - **holding** me tight again
- Placing those same kisses on my brow
- Sweeter than ever now - ● lord I remember how
 - Couldn't get enough of kissing, *[Fast]*
- ↑ ● Do you know how much you're missing

No you don't, but I do

.... 2 short hits - setup

The **days** like a slow train - trickle by
And **even** the words that I write - refuse to fly

- All I can hear is your song - haunting me
- Can't get the melody - ● out of my head, you see
 - Distractions are amusing, *[Fast]*
- ↑ ● Do you know how much you're losing

No you don't, but I do

Yea but I do, -- and I **wonder** if I'm **Past** the Point of Rescue

Is no word from **you** at all - the **best** that you can do... *[Fast]*

- I never meant to **push** or shove you,
- Do you know how much I love you

No you don't, but I do

- I swore I'd never fall like this again
- Fools like me never win, - **came** to my knees again
- Can't close the door on **likely** hood
 - Things could be just as good, - I always believed they would
 - Gotta let your love invite me, ● baby do you think it might be

No you don't, but I do

[C] [C] ... but I **DO** ... but I **DO** ... //
