

Play Me

by Neil Diamond

She was morning - And I was night time
I one day woke up - To find her lying
Beside my bed - I softly said
"Come take me"

For I've been lonely - In need of someone
As though I'd done - Someone wrong somewhere
I don't know where - I don't know where Come lately

You are the sun - I am the moon
You are the words - I am the tune - Play me

Song she sang to me - Song she brang to me
Words that rang in me - Rhyme that sprang from me
Warmed the night - And what was right
Became me

You are the sun - I am the moon
You are the words - I am the tune - Play me

And so it was - That I came to travel
Upon a road - That was thorned and narrow
Another place - Another grace - Would save me

You are the sun -I am the moon
You are the words - I am the tune - Play me
You are the sun -I am the moon
You are the words - I am the tune - Play me
