Do-doo-doo-wah --- shoo-be-doo-be **X2**

How can you tell me how much you miss me
When the last time I saw you, you wouldn't even kiss me
That rich guy you've been seein'
Must have put you down
So welcome back baby - To The Poor Side Of Town

To him you were nothin' but a little plaything
Not much more than an overnight fling
To me you were the greatest thing this boy had ever found
& girl it's hard to find nice things - On The Poor Side Of Town

I can't blame you for tryin' - I'm tryin' to make it too
I've got one little hang up baby - I just can't make it without you

So tell me, - are you gonna stay now
Will you stand by me girl all the way now
With you by my side - They can't keep us down
Together we can make it baby - From The Poor Side Of Town

(So tell me how much you love me) - More than you know
(Come be near to me and say you need me now) - I Need You Now

Oh, with you by my side
This world can't keep us down
Together we can make it baby - From The Poor Side Of Town
