

Raise the Sail

By: Jerry Galloway (2013)

6/4 ♩ =157 (Key: C)

- V1-A I remember how it was - Before the leaves turned grey
I remember just because - It's just like yesterday
- V1-B It was all that it should be - More than anyone could see
Children gave us life that grew
- Made the world seem all anew
- [C] Raise the sail - Square rigged and fast
It will avail --- So raise the sail upon the mast

----- < **Lead** = V1-A >

 Angels here all from the past
- Grabbed the future all too fast
& I Lived my life - The die is cast –
So, raise the sail upon the mast

-
- V2-A Discover more of all that's known
- Build it strong all made of stone
I cast upon the waves of life
- My pain and hurt and endless strife
- V2-B I keep my eye on that northern star
- So I come back when I drift afar
But when I'm done and unsurpassed
- I'll raise my sail upon the mast
- [C] Raise the sail - Square rigged and fast
It will avail --- So Raise the sail upon the mast...
... Raise the sail – It's time at last ... ~
... So Raise the sail upon the mast ---- //
