

Rhythm of My Heart

Across the street the river runs –
Down n the gutter life is slipping away
Let me still exist in another place –
Running under cover of a helicopter blade

The flames are getting higher in effigy –
Burning down the bridges of my memory
Love may still be alive somewhere someway
where they're downing only deer
a hundred steel towns away

Oh the Rhythm of My Heart - is beating like a drum
with the words "I love you" - rolling off my tongue
No never will I roam - for I know my place is home
where the ocean meets the sky - I'll be sailing

Photographs & kerosene lite up my darkness - *light it up (x2)*
I can still feel the touch - of your thin blue jeans
Running down the alley
- I've got my eyes all over you baby - Oh baby

[C]

Oh I've got lightning in my veins -
shifting like the handle of a slot machine
Love may still exist in another place –
I'm just yanking back the handle -no expression on my face
