

Rockin My Life Away

Jerry Lee Lewis '79

Took a few liberties
with the lyrics.

Teaser... then w/ Bass - 2 rounds...

From 1954 - to - 2028 - I threw a rock'n party and sure feels great

And it was good, rockin' my life away

I just movin' and groovin' - And gettin' it both night and day

I got a gal called Milly, she's a pepper hot chilly

She know how to roll, and she know how to rock

I'm rockin', -- rockin' my life away

a boogie woogie baby - I do it both night & day

Steamliner, fleetliner, military brass

She knows the general's daughter but the killer's got brass

I'm rockin', -- rockin' my life away,

I'm just movin' and a-groovin' - And rockin' both night & day

< P >

Well, Come on baby, you know what I mean

I - like - the - way - you - shake - that - thing.

'cause I'm rockin' -- rockin' my life away

and I'm pickin' and kickin' - and rockin' both night & day.

< G >

Well, get up off your rocker and don't be just a talker

You know that I can say - I'm ready all day.

And I'm rockin' -- rockin' my life away

Well, I like a Rock-n-Roll - and you know that I'll find a way.

< P >

Well, Come on baby, you know what I mean

Get out on the floor - and get yourself seen.

And I'm rockin -- rockin my life away

About 70 years - been rockin' it every day.

From 1954 - to - 2028

I threw a rock'n party and sure feels great

And it's been good, -- rockin' my life away

I've been movin' and groovin' - And rockin' both night and day

< P >
