

Rolling in the Deep

ADELE

1&2&3&4... Full 8 Count...

There's a fire - starting in my heart
Reaching a fever pitch - it's bringing me out the dark
Finally I - can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare
See how I leave - with every piece of you
Don't underestimate - the things that I will do

There's a fire - starting in my heart
Reaching a fever pitch, And it's bringing me out the dark

The scars of your love - remind me of us
They keep me thinking that - we almost had it all
The scars of your love - they leave me breathless - I can't help feeling...

We could have had it all *(You're gonna wish you never had met me)*
Rolling in the deep *(Tears are gonna fall, rolling in the deep)*
You had my heart inside of your hand *(You're gonna wish you never had met me)*
And you played it, to the beat *(Tears are gonna fall, rolling in the deep)*

Baby, I have - no story to be told
But I've heard one on you - And I'm gonna make your head burn
Think of me - in the depths of your despair
Make a home down there - As mine sure won't be shared

(You're gonna wish you never had met me)

The scars of your love remind me of us *(Tears are gonna fall, rolling in the deep)*
They keep me thinking that we almost had it all *(You're gonna wish you never had met me)*
The scars of your love, they leave me breathless *(Tears are gonna fall, rolling in the deep)*
I can't help feeling...

[C] [C]...with a beating

Throw your soul through - every open door *(woah)*
Count your blessings - to find what you look for *(woah)*
Turn my sorrow - into treasured gold *(woah)*
You'll pay me back in kind and reap just what you sow *(woah)*

(You're gonna wish you - never had met me)

We could have had it all *(Tears are gonna fall, - rolling in the deep)*
We could have had it all *(You're gonna wish you - never had met me)*
It all, - it all, - it all *(Tears are gonna fall, - rolling in the deep)*

[C] [C]... But you played it... You played it... You played it... You played it to the beat.
