## sHe's Got You

I've got your picture that you gave to me  
And it's signed "with love," just like it used to be  
The only thing different, the only thing new  
I've got your picture, sHe's got you

I've got the records that we used to share  
& they still sound the same as when you were here  
The only thing different, the only thing new,  
I've got the records, sHe's got you

I've got your memory, or has it got me?  
I really don't know, but I know it won't let me be

I've got your class ring; that proved you cared  
And it still looks the same as when you gave it dear  
The only thing different, the only thing new  
I've got these little things, sHe's got you
