

## She's got the rhythm

### 2 intro passes

This old **bar** stools feeling higher  
As a started sinking lower  
The minute she **waltzed** right through that door  
Not long ago I held her  
Like a fool I went and left her  
Now she's with somebody else out on that floor

[ And she's got the rhythm and I got the blues  
And she's showing me how much I had to lose  
With her every little move - she's  
telling me I'm over you  
She's got the rhythm and I got the blues

----- **1/2 Lead** -----

Well that music's gettin' louder  
As my heart keeps beatin' faster  
As she **spells** out regret in perfect time  
Well I thought I wanted freedom  
But that ball and chain I needed  
'Cause when you choose, sometimes you lose the prize
