

# Someday Soon

There's a young girl that I know whose age is twenty-one  
Comes from down in southern Colorado  
I'm Just out of the service, not lookin just for fun  
Someday soon, she's comin with me someday soon.

Her parents can not stand me 'cause I ride the rodeo  
Her father says that I will leave her cryin'  
She would follow me right down the roughest road I know  
Someday soon, she's comin with me someday soon.

But when I come to call, her pa ain't got a good word to say  
Guess it's 'cause he's just as wild in his younger days

So blow, you old Blue Northern, blow my love to me  
I'm ridin' in tonight from California  
I love my damned old rodeo as much as she loves me  
Someday soon, she's comin with me someday soon.

----- *Quick Turn Around* -----

When I come to call, her pa ain't got a word to say  
Guess it's 'cause he's just as wild in his younger days

So blow, you old Blue Northern, blow my love to me  
I'm ridin' in tonight from California  
I love my damned old rodeo - but not like she loves me  
Someday soon, she's comin with me someday soon.  
Someday soon, she's comin with me - someday soon.
