

Something About the Way *You Look Tonight*

Elton John
1997

SHORT Intro = Quick P/U

There was a time -

I was everything - and nothing all in one

When you found me -

I was feeling like a cloud across the sun

I - need - to tell ya -

how you light up every second of the day

But in the moonlight -

you just shine like a beacon on the bay

And I can't explain -

but it's something about the way - you look tonight

Takes my breath away

It's that feeling I get about - you, deep inside

And I can't describe -

but it's something about the way - you look tonight

Takes my breath away -- The way you look tonight

With your smile,

you pull the deepest secrets from my heart

In all honesty

I'm speechless - and I don't -- know -- where to start
