Something Stupid

w/ Angela Valdez ✓

I know I stand in line until you think
    you have the time to spend an evening with me
And if we go someplace to dance I know that
    there's a chance you won't be leaving with me

Then afterwards we drop into a quiet little place
    and have a drink or two .... and then I go and
    spoil it all by saying something stupid like I love you

I can see it in your eyes that you despise
    the same old lines you heard the night before
And though it's just a line to you for me it's true
    And never seemed so right before

Repeat

I practice every day to find some clever lines to say
    To make the meaning come true
But then I think I'll wait until the evening--- gets late
    And I'm alone with you

The time is right your perfume fills my <u>head</u>
    the stars get <u>red</u> and oh the night's so blue
And then I go and spoil it all by
    saying something stupid like I love you
        ...I love you...
