South of the border, down Mexico way

That's where I fell in love

when stars above - came out to play

And now as I wander, my thoughts ever stray

South of the border, down Mexico way

She was a picture in old Spanish lace

Just for a tender while,

I kissed the smile - upon her face

For it was fiesta and love had its day

South of the border, down Mexico way

Ay ay ay ay -- Ay ay ay ay

Then she sighed as I whispered, "mañana"

Never dreaming that we were parting

And I lied as I whispered, "Mañana"

For our tomorrow never came

South of the border, I rode back one day

There in a veil of white,

by candlelight, - she knelt to pray

But the mission bells told me, that I mustn't stay
