

Statue of a Fool

Jack Greene
1969

Somewhere there should be
 for all the world to see
A statue of a fool made of stone

The image of a man
 who let love slip through his hands
And then just let him stand there all alone

And there on his face
 a gold tear should be placed
To honor the million tears he's cried

And the hurt in his eyes would show
 so everyone would know
Concealed is a broken heart inside

So build a statue - and oh build it high
 So that all can see
.....Then inscribe - the world's greatest fool
 And name it after me
