LOAD OUT & Stay

with...
Natalie Defferard

Now the seats will all empty
and I must leave the stage
Pack it up and tear it down
▶ I'm the first to come and last to leave
Working for some minimum wage
I gotta set it up in another town

And the people were so fine
Always here every time
And when they got up on their feet
they made the show

Now that was great - but I am so so tired
I do so many shows in a row
and that's a sound you'll never know

● Unplug the wires now and roll them up
● Now pull them cases out and fill them up
● Cause when it comes to moving me
You know Mama's always there

*Quick*

▶ Now after packing cables and that other thing
    You know that I still - want to sing
    So just - make sure - 'cause it's all we own
    Before you come for my microphone

< Lead >

Now my stuff's on the truck
Mama's waiting to go
I've got to drive all night
   *to do a show somewhere   - I don't know...*

People you've got the power over what I do
    You can sit there and frown
        Or you can pull me through
Come along, sing a song
    You know you can't go wrong
Cause when that morning sun comes beating down
    You're going to wake up here at ____[*Home*]____.
But I'll be scheduled to appear
    A thousand miles away from here ....
Stay.........

Jerry... **People stay   - Just a little bit longer**
We want to play - Just a little bit longer

A   Now the promoter don't mind
And the union (roadies) don't mind
If we take a little time
And we leave it all behind,
and sing - ***One*** more song

B   Oh, won't you stay
Just a little bit longer?
Please, please, please
Say you will, ***SAY*** you will

C   Oh, won't you stay
Just a little bit longer?
Oh please, please
Stay - ***Just a little bit more***
