

# Strange

*Intro: Only ONE Pass ...*

- **Strange** how you stopped loving me  
How you stopped needing me  
When **he** came along - Oh, how strange
- **Strange** you changed like night and day  
Just up and walked away  
When **he** came along - Oh, how strange

Well, I guess that I was just your puppet  
You held on a string  
To think I thought you really loved me  
But look what thoughts can bring

- **Strange** you're still in all my dreams  
Oh, what a funny thing  
I still care for you - Oh, how strange  
Oh, how strange
