

Strangers in the Night

Frank Sinatra - '66

Short Intro...

Strangers in the night - exchanging glances
Wond'ring in the night - what were the chances
We'd be sharing love - before the night was through

Something in your eyes - was so inviting
Something in you smile - was so exciting
Something in my heart - told me I must have you

Strangers in the night
Two lonely people, we were strangers in the night
Up to the moment when we said our first hello
- little did we know

Love was just a glance away, a warm embracing dance away

... And ...

Ever since that night - we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

[instrumental - first 3 lines of chorus]

Love was just a glance away, a warm embracing dance away
