## Double Intro - Quick

It was a night oo-oo what a night

It was it really was -- such a night

The moon was bright oh how so bright

It was it really was -- such a night

The night was alight - with stars above

Oo-oo when she kissed me - I had to fall in love

Oh it was a kiss oo-oo what a kiss

It was it really was -- such a kiss

Oh- how she could kiss - oh what a kiss

It was it really was -- such a kiss

Just the thought of her lips - Sets me afire

I reminisce - and I'm filled with desire

{ But I'd gave my heart to her in sweet surrender  
How well I remember, - I'll always remember

Oh, what a night oo-oo what a night

It was it really was -- such a night

Came the dawn - and my heart and her love

And the night was gone

But I'll never forget the kiss -The kiss in the moonlight

Oo-oo such a kiss, -- such a night
