Sugar, - honey honey, - You are my candy girl,
And, you got me wantin you
Honey, - sugar sugar, - You are my candy girl,
And you got me wanting you

{ I just can't believe the **lovliness of lovin** you
I just can't believe the **oneness of this feelin** too

Sugar, - honey honey, - You are my candy girl,
Girl, you got me wantin you
Honey, - sugar sugar, - You are my candy girl,
and you got me wanting you

{ **When** I kissed you girl,
I **knew how sweet** a kiss could be
Just like the **summer** sunshine -
pour your sweet love over me...
