Intro... only 1 pass

It's all because of you - I'm feeling sad and blue
you went away, now my life is just a rainy day
and I love you so, how much you'll never know
you've gone away and left me lonely.

Untouchable memories - seem to keep haunting me
another love so true that once turned all my gray skies blue
but you disappeared, - now my eyes are filled with tears
and I'm wishing you were here with me.

[Soaked with love all my thoughts of you
Now that you're gone I just don't know what to do

If only you were here, - you'd wash away my tears
The sun would shine, - once again you'll be mine all mine
but in reality, - you and I will never be
cos you took your love away from me

< *Whistle* >

- since you've been gone there's such an emptiness inside,
I'm wishing you'd come back to me

[C]

I'll hold my head up high – Look... into the sky
So they won't see -all the tears that are in my eyes.
No one will see - you and I will never be
cos - **You took your love away from me.** ... < *Tag 1*
