

Summer Rain

Johnny Rivers '67

Wait for Full Intro...

Summer rain - taps at my window
West wind - soft as a sweet dream
My love - warm as the sunshine
Sittin' here by me, she's here by me

She stepped - out of the rainbow
Golden hair - shinin' like moon glow
Warm lips - soft as a soul
Sittin' here by me, she's here by me

All summer long,
we spent dancin' in the sand
And the jukebox kept on playin'
Sergeant Pepper's Lonely Hearts Club Band

We sailed - into the sunset
Drifted home - caught by a gulf stream
Never gave - a thought for tomorrow
Just let tomorrow be, now,
let tomorrow be

She wants - to live in the Rockies
She says - that's where we'll find peace
Settle down - raise up a fam'ly
To call our own, yeah, we'll have a home

All summer long,
we spent groovin' in the sand
Everybody kept on playin'
Sergeant Pepper's Lonely Hearts Club Band

The snow - drifts by my window
North wind - blowin' like thunder
Our love's - burnin' like fire
And she's here by me, yeah,
she's here with me
Let tomorrow be
