

Summertime 66

Summertime – And the livin' is easy - Fish are jumpin
- *Don't ya know my darlin'? I-I said, a-right now* - And a-cotton is high

Laka-laka-laka - Yo old daddy is rich - So damn rich, girl
An a-yo mommy's good looking, *yeah-ay*
So, a-hush pretty little, baby - Don't a, you cry

One-a-these, a-one-a-these, a-one-a-these mornin's come up, early
Ya gonna rise, Ya gonna rise up, singin'
Then you spread yo little wings - Yo little wings
An-a take to the sky-la-la-la-lie

B-rrrrrrrrrrrrrrrr

Until a-that mornin', you're a free maid
There's a-nothin' a-gonna' harm you, girl
With a mommie, an a-daddy standin' – by **< Lead >**

Come a little laaaaaaate - Payin' up the dues - Give you the blues
I know my little darlin' - I love you, so
An a-never gonna let you go, Lord! - La, la-la-lie

Tell-a lie, tell-a-lie, tell-a-lie, tell-a-lie, tell-a-lie, tell-a-lie
Say, pretty baby - Cannot save the day yet, girl
Hush, pretty little baby - Don't wanna have you cry - Hush! Shush!

Don't a-you cry, Lordy - Little darlin', I say girl
- No-po' child, I said a-right now - A-listen, baby
I don't, I don't, I don't - I don't want you to die
Don't-a, pretty baby child - A-don't let-a tear, don't let a tear
Fall from yo eyes! Hey!

All that mama do to please you-ooo
'Cause she paid her dues with blues

Baby child, I said a-right now
Don't let a tear, don't let a tear, don't let a tear
Baby doll, I said - Fall down a-from yo eyes

>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>

So hush, pretty baby
D'oh-whoa, oh-whoa, Oh-whoa, oh-whoa, Oh-whoa, oh-whoa,
Oh-whoa-oooooh-n't
You-ooo-ooo -- Brrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrr
Up-jump-jump - Chuka-jump-jump
Yo eyes!

Said I never thought a-you black girl
Pretty baby, gotta think about that
Good God-a-Mighty
That's enough said, girl
Baby, help you through, little darling
And settle back down
Little girl
Giiiiiiiiiiiiiiiiirl

Little darling do not let a little tear
Fall-a from your eye-hi-hi-hi-eye.

('Whoa!')
